

This is to certify that the quality control procedures of

# Bartow Precast Inc.

Cartersville, GA

were audited during an on-site plant inspection and have met the  
Precast Concrete Requirements  
stated in the NPCA Quality Control Manual

*Participation in the NPCA Plant Certification Program affirms an ongoing commitment to producing quality precast concrete products. This includes a dedication to continuous improvement in product design, raw materials, manufacturing processes, safety, employee education and customer service.*

This certificate is valid through December 31, 2011.
